## Country Matrix

Thank you for your interest in MUNUC 31! We are excited to welcome you next February.

### **Important Information Regarding the Country Assignment Process:**

In this document, you will find a list the countries that are represented at MUNUC 31's traditional committees. Please review the matrix, and determine your country preference based on the size of your delegation as well as your students' interest. When you are ready to submit your country preference, please use our online form: [bit.ly/MUNUC31CountryPreference](http://bit.ly/MUNUC31CountryPreference)

You will receive an automated confirmation e-mail after you submit the form, which includes a link for you to edit your response. Kindly keep the link, and please feel free to make any changes as necessary. However, please do so no later than **September 24th, 2018**, as all preferences should be finalized by that date.

Please note that positions on our Hybrid committees and our Continuous Crisis committees are not included in the matrix. This is because the assignment for positions on these committees are assigned by request. You will be able to indicate your interest in these committees by using the second part of our online preference form, linked above.

Thank you for your continued support in MUNUC 31. Should you have any questions or concerns, please feel free to reach out to Ms. Nina Shirole, our Chief Administrative Officer at [cao@munuc.org](mailto:cao@munuc.org).
